OPEN TENDER 8 METER | SEMI CUSTOM BUILT

The semi custom built open tenders combine classic, timeless styling with all the amenities for comfort like freshwater shower or foldable boarding steps.

Go for a quick, sporty ride with a top speed up to 40 knots and enjoy outstanding maneuverability and control of this solid and reliable tender.

Functional details like the perfectly hidden dodger under leather covers ahead of the cockpit make this tender special.

T/T Lady Christina

Flexibility is what Yachtwerft Meyer stands for. Shown below is a specially designed and built removable carbon bowpiece to enable the tender to fit into the existing garage of a super yacht.

EXAMPLE OF TECHNICAL CHARACTERISTICS CLASSIC VERSION 8 METER
